which was replaced last year, if you don't cut it down to a reasonable level the next dry spell I will be setting fire to it and sod the consequences, we've put up with this for well over 15 years now and enough is enough! This does actually constitute antisocial behaviour by the council towards us as its causing unnecessary nuisance. Let's put it this way, you've discussed this before over the years and still we have to put up with it causing wilful damage to our property, so if it's not kept at a reasonably level and soon, I will be seeking legal advice inviting you to court.

ii. Message of 28/7/25 from Contractor with Quote for clearing a 6-foot perimeter around the Meden Grazing Land – the fees at £240 per day per worker. With a minimum of 3 days work. Waste would be £100 per van load as they will be a couple of vans as weeds/foliage is 4/5ft tall. Rough estimate is £1740 for 3 days work and 3 vans of waste. – **Councillors to Discuss both of these items.**

v. Phone call of 18/08/25 from Resident of Booth Avenue – regarding cars double parked on the pavements on Chesterfield Road, Pleasley outside the Nags Head Public House. The recent burger van events have brought a lot of cars to the village, the other week a bus had to reverse as public transport could not get through. Clerk explained to the resident that jurisdiction falls to Derbyshire Police and Derbyshire County Council Highways. good idea. Resident stated that they have contacted Bolsover District Council, Derbyshire Police via 101 and contacting local PCSO's and Derbyshire Highways with no affect/response. I understand from speaking to the Clerk that the upstairs room is free on Tuesday morning, Can I ask the Parish Council if we could use the Verney rent free for one or two weeks until we try to get established.
