Derbyshire County Council are looking for grants for sufficient funds to meet their statutory duties.

(3) Report from and Questions to District Councillor T Kirkham. Report received by email - As all Councillors know the floods did serious damage to homes and business in the square. Bolsover District Council when contacted have referred me to Derbyshire County Council in relation to the flooding and the management of the pond. On Newboundmill lane residents

Chair

have been flooded in the Parish and work today has started to rectify drainage issues that contributed to this.

There are a number of fundraising appeals to help people impacted in the square.

Bolsover District Council have progressed in the plans to create a survey of the mill 1 pond at Pleasley Vale. This should open the door to a proposal to clear the pond up for wider leisure activities.

Work has also started on the Shirebrook Crematorium. It has been formally agreed to work with West Notts College to create a post 16 skills centres at Pleasley Vale. The previous provider Getech were unable to provide the one in Shirebrook due to a staff shortage.

I have reported a number of streetlights. Hopefully the ones near Devonshire Street will be fixed soon. Properties on Coronation Avenue are currently being fitted with new roofs and facia.

If we can set a separate committee group up I am willing to help with grant writing to get the traffic control signs and funding to help repair the Verney.

(b) Allotments /Grazing Land correspondence/reports

i) . At the last meeting councillors agreed that the cost of the Meden grazing license for Meden could be £100 per calendar month. We also have two other areas of grazing land. Councillors to discuss if the same fees should be applied to the Crompton Grazing Land and the Grazing land behind Dale Engineering. Finance working group meeting (held before today’s Parish Council) discussed that Dale Engineering grazing land is the same cost of Meden. Clerk to meeting with tenant to discuss price increase. Councillors decided fees will be half an acre £40 a month on Crompton Street.

ii. Email of 19/10/23 Keighley & Richard of New Houghton - We are still interested in a Grazing License at Meden grazing land, although disappointed to learn about the 1-year grazing tenancy. Our primary concerns are that as per my previous email, I listed our intentions/ requirements particularly fencing etc, which I assume would be at our expense, which could then result in notice being received after only 6 months. Is this something we could negotiate on? Councillors to discuss. Comments noted.

(c) Cemetery Correspondence/reports

i. Report from member of the public regarding maintenance required on their memorial bench sited in the cemetery. Brandon of Ground force – repaired free of charge.

(d) Footpaths correspondence/reports

(e) Highways correspondence/reports

i. Email of 17/10/23 from District councillor Tom Kirkham ... I have asked a Bridget Gould Highways Officer about buying other things for the road alongside speed indicators. She said they normally don't allow self-funded traffic controls but if we are replacing one it could be ok. The cost for a platform to replace the chicane could be in the region of 20k. We have an opportunity to work with the parish council, to try and get this money and make it happen.

Councillors to discuss if it would be possible to arrange a meeting to discuss what support the Council would need?

ii. Email of 25/10/23 from Derbyshire Highways Temporary Road Closure Extension on Newboundmill Lane, Pleasley from 27/10/2023 - 10/11/2023 To facilitate drainage repair work. No access to Newboundmill Lane from Terrace Lane – Batley Lane

(f) New Houghton correspondence/reports

i. Email of 24/10/23 - from Florence Stanfield of Aquiss (who provide the internet services to New Houghton community Centre. The Open-Door Group have been struggling with internet speeds for a while. An upgrade is available to increase speeds quote received for first 3 months at £18 per month then £36 per month plus VAT to the end on the new 12 month. We currently pay £33 plus VAT so this would increase cost by £3 a month plus VAT. Councillors to discuss and approve this quote. If the fees increase is only £3 a month, then this spend was agreed by councillors, however, if further expenditure is needed this required further council approval.

Councillor M Gamble raised that regard to Open Doors the Councillor recommended that non-residents pay £3 per visits rather than the current £2 fees. Councillors approved fees to increase for non-residents from the 1st January 2024.

Councillor M Gamble reported a possible damp or water damage issue outside the entrance of the community centre. Clerk & Chair to meet with site caretaker to discuss further.

During the 80's I was clerk to the parish council of which Dr Alan Griffin was the chairman and I remember him telling me that he had met a member of the Verney family, who had presented to him a number of her paintings as the family had decided that it was more appropriate for them to be housed locally.
